

Walk Sponsors Request: Phone Script

Hello _____, this is _____ calling about the Walk for Life Weekend, an event I am participating to help women considering abortion have their babies. Is now a bad time for a 1–2-minute conversation?

If YES: No problem. Is there a better time for me to call?

If NO: Great! I am participating in the Walk for Life Weekend as a pledge-raising Walker (again this year). (As you know) The Walk raises awareness about the equal value of every person as well as the resources needed to double the number of women served and babies saved in 2023.

I am passionate about erasing the need for abortion because we are all made in the image of God and equally valuable both mother and baby. And most women have abortions because they feel trapped like they need one. And CompassCare provides free medical care and community support, empowering women with the ability to say no to abortion. My goal is to raise enough money to serve [X] number of women by raising \$____. Would you be willing to consider sponsoring me for the Walk? **(It costs \$570 to serve one woman considering abortion).*

If YES: Thank you so much! You can either give online and I'll send you a link to my fundraising page. Or you can give offline by cash, check, or be billed later. How would you prefer to handle that?

If OFFLINE: May I have/confirm your address so CompassCare can send you a statement?

If NO: I understand, thank you for considering. Would you be willing to consider joining me and thousands of pro-life Christians at the Walk for Life online rally on Friday or the in-person Walk on Saturday? It is very inspiring.

It was great to talk with you! Thank you for your time and for taking my call. God bless.
