

5-Point Plan to Prosecute Corruption within Federal Law Enforcement, Including Persecution of Pro-Life Christians

The following plan is prescribed by pro-life strategist, Rev. Jim Harden, CEO of firebombed CompassCare, to put an end to the corruption of federal law enforcement that is persecuting Christians. Because federal law enforcement is the purview of the Executive branch, any serious Presidential candidate must have a plan to address the deep-seated corruption.

Summary of Current Situation

The attacks on pro-life people appear to be sanctioned by [President Biden](#), [Attorney General Garland](#), FBI Director Wray, and now even DHS Secretary Mayorkas (see Appendix 1). No candidate will be able to create the necessary reform in federal law enforcement by simply replacing Department heads. Rev. Harden has called for a review of the purpose and constitutionality of federal law enforcement with funding freezes while full criminal investigations can be performed throughout each department—to protect all citizens equally under the law, a “herculean task.”

5-Point Plan to Prosecute Corruption within Federal Law Enforcement:

1. **Abort the persecution of pro-life Christians through a funding freeze** of the DOJ and DHS.
2. **Impeach leaders** of the DOJ, FBI, DHS, etc. for both depriving pro-life people of equal protection under the law and for undermining the rule of law for knowingly permitting or participating in domestic terrorism.
3. **Indict all participants** including but not limited to President Biden, Attorney General Garland, FBI Director Wray, and others for high crimes and misdemeanors, including Sedition, Treason, RICO, Money Laundering, and violations of the 3rd KKK Act of 1871, convening military tribunals in districts where the judiciary has been compromised.
4. **Imprison the convicted** engaged in a conspiracy to deprive pro-life citizens of their 1st and 14th Amendment rights, undermining the rule of law under color of law.
5. **Re-evaluate** the purpose of federal law enforcement as a potential violation of the 10th Amendment.

Respectfully Submitted:
