

National Walk *for* Life

COMPASSCAREWALK.COM

Frequently Asked Questions

What is the Walk for Life?

The Walk for Life empowers the people of God across the nation to raise the funds to serve more women and save more babies from abortion in 2026 and publicly express the infinite value of every person created in God's image by walking on Saturday, May 2. You can host or join a Walk anywhere you live and partner with the thousands of pro-life Christians walking for Life across the nation.

What if it's raining on the day of the Walk?

The Walk is a rain-or-shine event. Dress appropriately and bring an umbrella if needed. Contact your Walk Host to make sure no plans have changed.

How do I collect donations?

Collecting donations has never been easier! Register on the Walk for Life website as an individual Fundraising Walker, or host / join a Walk Team. Once you're registered, simply direct your sponsors to your Personal or Team Fundraising Page to donate online. All donations will be tracked for Fundraising Walkers and Walk Teams on the CompassCare Walk for Life website as they are received.

Starting this year, if someone is unable to donate online, they can give by using a Walk for Life donation envelope. Simply follow the steps below:

1. Give the sponsor one of the Walk Donation Envelopes you received in the mail, or from your Walk Host
2. Ask him/her to complete the information on the tear-off portion, then place it, along with their check, in the self-addressed envelope and seal it.
3. The sponsor can then mail the envelope straight to the Walk for Life processing team at their convenience.

Where can I get extra Walk Donation Envelopes?

Go to CompassCareCommunity.com/2026WalkResources to download donation forms now or call 585-232-3894 to request more envelopes by mail.

How do I find a local Walk to attend?

Please call 585-232-3894 and we'll connect you with a Team captain in your area!

I can't make it to a Walk. Can I still participate?

Yes, you can always sponsor a Walker, a Team, or donate directly to the event by visiting www.CompassCareWalk.com and clicking the **Give** option in the main menu. If there isn't a local Walk in your area, you can host your own Walk for Life wherever you are and whenever you can! You can set a goal, ask for sponsors, and pick a time and place to Walk that works for you. And of course, you can participate by praying that each Walk event is safe and successful, and that many women and babies will be saved as a result.

How much does it cost to participate in the Walk?

There is no registration fee, and all activities are free to you. Just come and enjoy!

How do I get a Walk T-shirt?

When you register as a Fundraising Walker, you will receive a code via email to get the CompassCare Walk for Life t-shirt, fulfilled through CompassCare's merch page. Walkers who raise \$570 or more can receive other rewards which will be fulfilled after the Walk for Life.

What percentage of donations go to services?

Thanks to the many generous Walk sponsors, the cost to put on the Walk for Life is completely underwritten. That means that 100% of the money you raise or donate will go to saving women and babies from abortion. Even the online credit card processing fees have been underwritten, so encourage your sponsors to donate in whatever way works best for them.
